1 Grid Site Operations Policy

By participating in the Grid as a Site, you agree to the conditions laid down in this document and other referenced documents, which may be revised from time to time.

1. *You shall provide and maintain, in a central repository provided by the Grid, accurate contact information as specified in the Site Registration Policy, including but not limited to at least one Site Manager and one Site Security Contact who shall respond to enquiries in a timely fashion as defined in the Grid operational procedures.*
2. *You shall comply with the Grid security policies, including any accounting and audit data requirements. You shall periodically assess your compliance with these policies, inform the Grid Security Officer of violations encountered in the assessment, and correct such violations forthwith.*
3. *Before publishing information to the Grid resource information systems you shall make reasonable efforts to ensure that it is correct and up to date. You shall not publish information that could be detrimental to the operation of the Grid or mislead Users into submitting jobs or transferring data to your Site.*
4. *When notified by the Grid of software patches and updates required for security and stability, you shall, as soon as reasonably possible in the circumstances, apply these to your systems. Other patches and updates should be applied following best practice.*
5. *You shall use logged information, including information provided to you by Users, other Sites or by the Grid, for administrative, operational, accounting, monitoring and security purposes only. You shall apply due diligence in maintaining the confidentiality of logged information.*
6. *Your participation in the Grid as a Site shall not create any intellectual property rights in software, information and data provided to your Site or in data generated by your Site in the processing of jobs.*
7. *Provisioning of resources to the Grid is at your own risk. Any software provided by the Grid is provided on an as-is basis only, and subject to its own license conditions. There is no guarantee that any procedure applied by the Grid is correct or sufficient for any particular purpose. The Grid and other Sites are not liable for any loss or damage in connection with your participation in the Grid.*
8. *You may control access by Users and VOs to your site for administrative, operational and security purposes and shall inform the Users or VOs if you limit or suspend their access. You shall comply with the Grid incident response procedures regarding the notification of security incidents and where appropriate, shall restore access as soon as reasonably possible.*
9. *You shall comply with the Grid operational procedures including the requirement to support at least one VO designated by the Grid for the sole purpose of evaluating the availability of your Grid Services.*
10. *The Grid may control your access to the Grid for administrative, operational and security purposes and remove your resource information from resource information systems if you fail to comply with these conditions.*
11. *Disputes resulting from your participation in the Grid will be resolved according to the Grid escalation procedures.*

This policy shall be signed for agreement by an Authorized Signatory of the Site.
