Goals and Process for the Collaboration Meeting (Chairperson-Rik Yoshida)

Thursday, 22 January 2015 09:30 (15 minutes)

• Forming of this new Collaboration-a merger of all previous efforts and any other interested parties
• Scope of 40 ktons physics program
• Agreement on minimal level of organization to start
• Agree on minimal number of Working Groups to make progress before spokespeople chosen
• Launch spokesperson selection process
• Provide a way for individuals/groups to get involved in R&D efforts, CDR Writing and other collaboration activities.

Presenter: BERTOLUCCI, Sergio (CERN)
