The review will take place in room 323 of the HEP building on the University of Chicago campus. The HEP building is a block south of the parking garage at the corner of 55th and S. Ellis Ave. Between 56th and 57th St., there is a walkway onto the science quadrangle. The HEP building is just to the north as you enter the quad. Enter through the glass door and take the elevator to the 3rd floor. The room 323 is at the end of the building opposite the elevator. Please see the attached map that is marked with the directions to the HEP building from the Ellis parking garage.
