User Accounting in Gratia

- Two types of records:
 - Job Record at a CE (pilot job)
 - Job Record at a submission node (user job)
- Most CEs are mapping users to group accounts
- Not all Campus Grids
 - have installed and enabled gratia probe
 - map to individual user account (“generic glow user”)

Campus Grids

- Running probe
 - ATLASConnect
 - Bakerlab
 - CHTC - Generic GLOW user
 - CMSConnect
 - DukeConnect
 - FermiGrid
 - GLOW - Generic GLOW user
 - HCC
 - OSGCONNECT
 - UChicagoConnect
 - XD-LOGIN

Not reporting:

- SBGrid ?
- DOSAR ?
- GIRDUNSEP?
- GLUEX ?

Do we have enough information in OIM?
