

## Workshop on Microwave Cavity Design for Axion Detection

Contribution ID: 71

Type: **not specified**

# Electronic Tuning & Coupling of Cavities

*Thursday, 27 August 2015 15:10 (20 minutes)*

We will present an overview of R&D efforts to employ electronic tuning and coupling of microwave cavities.

**Primary author:** Dr CAROSI, Gianpaolo (Lawrence Livermore National Laboratory)

**Presenter:** Dr CAROSI, Gianpaolo (Lawrence Livermore National Laboratory)

**Session Classification:** Active Microwave Cavities - II
