

Workshop on Microwave Cavity Design for Axion Detection

Thursday, 27 August 2015

Quantum Limited Axion Cavity Amplifiers - II - Yosemite Room (13:10 - 14:20)

time	[id] title	presenter
13:10	[63] Accelerating cryogenic axion searches with one and two mode squeezed states.	Prof. LEHNERT, Konrad
13:50	[75] Generation and Reconstruction of Propagating Quantum Microwaves	ZHONG, ling
