

# Workshop on Microwave Cavity Design for Axion Detection

## Thursday, 27 August 2015

### Microwave Cavity Geometries - II - Yosemite Room (15:30 - 17:00)

time	[id] title	presenter
15:30	[47] University of Florida High-Frequency Microwave Cavity Research	Mr STERN, Ian
16:00	[65] Resonator design strategies for high and low mass axion searches	CHOU, Aaron
16:30	[67] Microwave and Millimeter-wave Cavity Research and Development at SLAC	Dr NANNI, Emilio
