

Matthew Quinn is the Radiation Physics Science Manager and Laser Safety Officer at Fermi National Accelerator Laboratory. He has a B.S. in Physics from Loyola University Chicago, and M.S. and Ph.D. degrees in Nuclear Physics from the University of Notre Dame. Prior to joining Fermilab, he was a postdoctoral researcher in the Department of Radiation Oncology at Loyola University Medical Center. He is on the Board of Directors of the Accelerator Section of the Health Physics Society and a former board member of the DOE's EFCOG Laser Safety Task Group.
