

# OSG All Hands Consortium Meeting

## Monday, 3 March 2008

### Site Administrators Workshop - Redbud AB (09:00 - 18:25)

| time  | [id] title  | presenter   |
|-------|---|---|
| 09:00 | [25] Welcome from the Executive Director  | PORDES, Ruth  |
| 09:10 | [26] The OSG Facility   | LIVNY, Miron  |
| 09:25 | [14] The OSG Site Coordination Activity   | GARDNER, Robert   |
| 09:40 | [0] Expectations of the Sites   | QUICK, Rob  |
|       | - [1] Lightning talk: Experiences with RSV  | MOE, Brian  |
|       | - [2] Lightning talk: RSV and Nagios  | WILLIAMS, Sarah   |
| 10:20 | break   |   |
| 10:40 | [17] Logging and Troubleshooting  | TIERNEY, Brian  |
|       | - [1] Lightning talk: Publication and Protection of Site Sensitive Information in a Grid Infrastructure | Mr CHOLIA, Shreyas  |
|       | - [2] Lightning talk: Logging and Troubleshooting   | PADMANABHAN, Anand  |
|       | - [3] Lightning talk: A Proposed Architecture for OSG Logging   | TIERNEY, Brian  |
| 11:10 | [2] Site Administrators Security Training and Auditing  | Dr ALTUNAY, Mine  |
|       | - [1] Lightning talk: Fermilab Open Science Enclave   | Dr CHADWICK, Keith  |
|       | - [2] Lightning talk: Using gLExec to improve security of Grid jobs                                     | Mr ROY, Alain   |
| 11:55 | [3] Feedback on OSG 0.8.0 and the Facility Rountable  | MARTIN, Terrence  |
|       | - [1] Lightning talk: Readiness of WS GRAM  | MARTIN, Terrence  |
|       | - [2] Facility Roundtable   | Dr ALTUNAY, Mine<br>LIVNY, Miron<br>WANG, Shaowen<br>QUICK, Rob<br>GARDNER, Robert<br>Mr ROY, Alain |
| 12:30 | [11] Panel Discussion from the Users Perspective  | RANA, Abhishek  |
|       | - [1] Panelists   | DE, Kaushik<br>RYNGE, Mats<br>DAUBERT, Britta   |
| 13:05 | lunch   |   |
| 13:20 | [28] BOF  |   |
| 14:05 | [15] OSG Storage Services   | Dr HESSELROTH, Ted  |
|       | - [1] Opportunistic Use of Storage in the Open Science Grid   | HESSELROTH, Ted   |
|       | - [2] Lightning Talk: VDT-dCache 1.8 installation and functional testing experiences                    | ZHAO, Xin   |
|       | - [3] Bestman on Xrootd   | YANG, Wei   |
| 14:45 | [5] Configuring OSG - an update   | THAPA, Suchandra  |

|       |   |                     |
|-------|---|---------------------|
|       | - [1] Lightning Talk: Experiences and tools for configuring OSG resources         | MARTIN, Terrence    |
|       | - [2] Lightning Talk: Installing and configuring gLExec                           | Dr CHADWICK, Keith  |
| 15:05 | [13] Discussion: Site Administrators Tools  | BACON, Charles      |
|       | - [1] Lightning Talk (1): MOPS (the Managed Object Placement Service)             | FRASER, Dan         |
|       | - [2] Lightning Talk (2): Fermilab High Availability Deployment                   | Dr CHADWICK, Keith  |
|       | - [3] Lightning Talk (3): Admin tools for OSG infrastructure at Caltech/CMS       | THOMAS, Michael     |
| 15:50 | break   |                     |
| 16:10 | [16] Towards the Release of OSG 1.0   | Mr ROY, Alain       |
| 16:40 | [1] Current measurements of Facility performance and capabilities                 | Mr BOCKELMAN, Brian |
|       | - [1] Lightning Talk: Panda - monitoring, job information, performance collection | DE, Kaushik         |
