

# USLUA on Facebook & Twitter

The screenshot shows the Facebook profile of the USLUA - US LHC Users Association. The cover photo is a long, blue, cylindrical particle accelerator tunnel. The profile picture is a circular logo with 'US LHC Users Association' text. The page has 76 likes and 66 post reach this week. A post from Toyoko Orimoto, published 16 hours ago, promotes a Career Panel Discussion at the USLUA meeting. The 'ABOUT' section lists members: Ben Auerbach (Data Scientist at Allstate), Alexandra Carley Bennett (Assistant Professor at College of DuPage), Thomas Gadfort (Data Scientist at Karvy Analytics Limited), and Jennifer Gimmell (Teacher at Benet Academy). The 'PHOTOS' section shows a grid of images, including a group photo of the association. The 'VISITOR POSTS' section shows a post from Toyoko Orimoto about the USLUA Annual Meeting.

The screenshot shows the Twitter profile of @us\_lhc, the US LHC Users Association. The header image is a blue particle accelerator tunnel with the handle '@us\_lhc' overlaid. The profile picture is the same circular logo as the Facebook page. The page shows 22 tweets, 29 following, and 6 followers. A tweet from APS Physics (@APSPHysics) is retweeted, mentioning a career panel discussion. Another tweet from @us\_lhc dated Nov 11 promotes a Career Panel Discussion at the #USLUA meeting. The bio states: 'The USLUA is composed of scientists and engineers who carry out research and development using the Large Hadron Collider experiments and accelerator systems.' The website 'uslua.org' is listed.
