

2017 Meeting of the APS Division of Particles and Fields (DPF 2017)

Thursday, 3 August 2017

Field and String Theory: Thursday afternoon - 1 East (13:30 - 15:15)

-Conveners: William Bardeen

time	[id] title	presenter
13:30	[105] Black hole unitarity via small couplings: basic postulates to soft quantum structure	Prof. GIDDINGS, Steve
