  (not pictured, outgoing staff)

- ## Mine Altunay - Fermilab
  (not pictured, outgoing ISO)

Who is OSG's new Information Security Officer?

http://security.engineering

OSG Year 5:

- "Normal" security goals around operations, security improvements, & the OSG risk assessment.
- Also a transition year for security.

    - Leadership transition
    - New and outgoing personnel, knowledge transfer
    - Opportunity to focus on documentation, process, automation
    - Prepare for Year 6 with a resource decrease.

Year 6 is coming to an OSG near you...

Questions / Discussion Welcome
