

OSG AHM 2017: Intensity and Cosmic Frontier Session

Ken Herner

OSG AHM

6 March 2017

What's In Store Today and Tomorrow

Thank you to everyone for attending the sessions, and special thanks to all presenters. We have a very wide range of topics to cover, including, but not limited to:

Astronomy and astrophysics (telescopes, gravitational waves, dark matter, dark energy, radio astronomy...)

Nuclear physics

Neutrino and precision muon physics

Today we will be in Room 408; tomorrow the Synthesis Center.

Note that Tuesday times may change slightly to accommodate travel difficulties

Remote Connection Information

- Remote Connections will be via Zoom:
- Monday: <https://IU.zoom.us/j/680888506>
- Tuesday: <https://IU.zoom.us/j/126578418>
- Please let me know if you or anyone at your institutions has trouble connecting and we'll try to troubleshoot during breaks
 - If you want to make a test Zoom connection before your talk, let me know (kherner AT fnal DOT gov) and we will set up a time using my Zoom number
