A Case Study: Converting from Staff Aug Contract

Tuesday, 13 May 2008 14:15 (40 minutes)

In August 2007, Sandia National Laboratories/CA changed its staffing model for desktop computing services from FTEs and Staff Augmentation (Staff Aug) to a Procurement Staff Aug contract. This move more closely aligned with the service model used at Sandia National Laboratories/NM. A description of the drivers and reasons for making this change, and the benefits and concerns of implementing such a contract will be discussed.
