

Santa Fe Jets and Heavy Flavor Workshop

Monday, 29 January 2018

Session 4 (15:50 - 17:50)

-Conveners: Xuan Li

time	[id] title	presenter
15:50	[11] Connecting the advances in precision jet physics in hadronic reactions to the interpretation of the heavy-ion jet data	REED, Rosi
16:20	[12] Jet propagation and medium response in high-energy heavy-ion collisions	Dr WANG, Xin-Nian
16:50	[13] Jet spectroscopy method using telescoping subjects	Dr CHIEN, Yang-Ting
17:20	[14] Measuring the gluon distribution with jets: from the LHC to an EIC	Prof. PETRIELLO, Frank
