

OSG AHM 2018: Intensity and Cosmic Frontier/ FIFE Session

Ken Herner

OSG AHM

19 March 2018

What's In Store Today

Thank you to everyone for attending the sessions, and special thanks to all presenters. We have a very wide range of topics to cover, including, but not limited to:

Astronomy and astrophysics (telescopes, gravitational waves, dark matter, dark energy, gamma-ray astronomy...)

Nuclear physics

Neutrino and precision muon physics

Afternoon: About 1 hour free for open discussion on items of mutual interest. Data handling, HPC resources, GPUs, ...

Remote Connection Information

- Remote Connections will be via Zoom:
- Monday: <https://goo.gl/vzww9>
- Please let me know if you or anyone at your institution has trouble connecting and we'll try to troubleshoot during breaks
 - If you want to make a test Zoom connection before your talk, let me know (kherner AT fnal DOT gov) and we will set up a time using my Zoom number
