# Writing proposals: Mentoring program

GOAL: make the proposal writing expertise of senior researchers available to junior investigators

How does it work?

- The Mentee requests a Mentor (email us at [aopper@nsf.gov](mailto:aopper@nsf.gov) or [ejgarcia@nsf.gov](mailto:ejgarcia@nsf.gov) ).
- We will send a list of Mentor Volunteers to Mentee, who contacts Mentors without identifying them to NSF.
- **The Mentor will read the Mentee's proposal and provide feedback once. Send the proposal early – Mentors are busy people!**
- NSF accepts no responsibility on the interaction/outcome of the program!

**Needed: Mentors!**

email us at [aopper@nsf.gov](mailto:aopper@nsf.gov) or [ejgarcia@nsf.gov](mailto:ejgarcia@nsf.gov)
