

# International Workshops on Accelerator Alignment (IWAA) 2018

## Tuesday, 9 October 2018

### Survey & Alignment Aspects of Beamline and machine Components - 1 West (09:20 - 10:15)

-Conveners: Horst Friedsam

time	[id] title	presenter
09:20	[48] Alignment Activities at the Fermi National Accelerator Laboratory	FRIEDSAM, Horst
09:45	[44] Geodetic and Alignment Concepts for the LBNF/DUNE	Dr BOCEAN, Virgil

### Survey & Alignment Aspects of Beamline and machine Components - 1 West (10:45 - 12:15)

-Conveners: Johannes Prenting

time	[id] title	presenter
10:45	[25] Geodetic Activities at CERN for Current and Future Projects	Mr MISSIAEN, Dominique
11:15	[61] Preliminary design of CEPC survey & alignment	Mr WANG, xiaolong
11:45	[21] CLIC pre-alignment strategy: final proposal and associated results	Dr MAINAUD DURAND, Helene
