

International Workshops on Accelerator Alignment (IWAA) 2018

Tuesday, 9 October 2018

Survey & Alignment Aspects of Superconducting Devices - 1 West (15:30 - 17:00)

-Conveners: Mika Masuzawa

time	[id] title	presenter
15:30	[1] Deformation and Alignment of the Cryostat in the CADS Injector II	Mr YUAN, jiandong
16:00	[16] A Precision 2-D Laser Scanner for Measurement of Thermal Shift in Superconducting Devices	Mr JANSMA, William
16:30	[23] Measurements with laser tracker through different media: the MIDAS system	Mr VELONAS, Vasileios
