

Welcome to DanFest!

Oct 19, 2018
Frank Chlebana

Agenda

We have a full day of presentations!

We ask that speakers remain on time!!

Registration <i>Mrs. Sonya Wright</i> <i>Wilson Hall One West, Fermilab</i>	08:30 - 09:00
Introduction <i>Frank CHLEBANA</i> <i>Wilson Hall One West, Fermilab</i>	09:00 - 09:03
Welcome <i>Dr. Joseph LYKKEN</i> <i>Wilson Hall One West, Fermilab</i>	09:03 - 09:06
Experiments at the First Hadron Collider (ISR) <i>Prof. Giorgio BELLETTINI</i> <i>Wilson Hall One West, Fermilab</i>	09:06 - 09:30
Baryonium at the Brookhaven Multiparticle Spectrometer Facility <i>Prof. James RUSS</i> <i>Wilson Hall One West, Fermilab</i>	09:30 - 09:50
Top Quark Discovery <i>Dmitri DENISOV</i> <i>Wilson Hall One West, Fermilab</i>	09:50 - 10:15
Break <i>Wilson Hall One West, Fermilab</i>	10:15 - 10:45
Hadronic Calorimetry and CMS HCAL <i>Prof. Andris SKUJA</i> <i>Wilson Hall One West, Fermilab</i>	10:45 - 11:10
LHC Physics Center <i>Richard CAVANAUGH</i> <i>Wilson Hall One West, Fermilab</i>	11:10 - 11:30
Discovery of the Higgs <i>Prof. Joseph INCANDELA</i> <i>Wilson Hall One West, Fermilab</i>	11:30 - 12:00

Standard Model precision measurements and searches for BSM physics at the LHC <i>Jeffrey BERRYHILL</i>	
Radiation Hardness of Particle Physics Detectors <i>Frank CHLEBANA</i> <i>Wilson Hall One West, Fermilab</i>	13:35 - 13:55
Educating the Next Generation of Scientists <i>Prof. Roger RUSACK</i> <i>Wilson Hall One West, Fermilab</i>	13:55 - 14:15
Break <i>Wilson Hall One West, Fermilab</i>	14:15 - 14:45
Presentations <i>Prof. Paul GRANNIS et al.</i> <i>Wilson Hall One West, Fermilab</i>	14:45 - 15:05
Perspective and Concluding Remarks <i>Dan GREEN</i> <i>Wilson Hall One West, Fermilab</i>	15:05 - 15:30
Wine and Cheese Reception <i>Wilson Hall One West, Fermilab</i>	15:30 - 16:00
Wine and Cheese Seminar "CMS and Physics at the high luminosity LHC" <i>Jim VIRDEE</i> <i>Wilson Hall One West, Fermilab</i>	16:00 - 17:00

We should also have some time to chat and socialize...

Wine and Cheese

Wine and cheese reception starts at 15:30

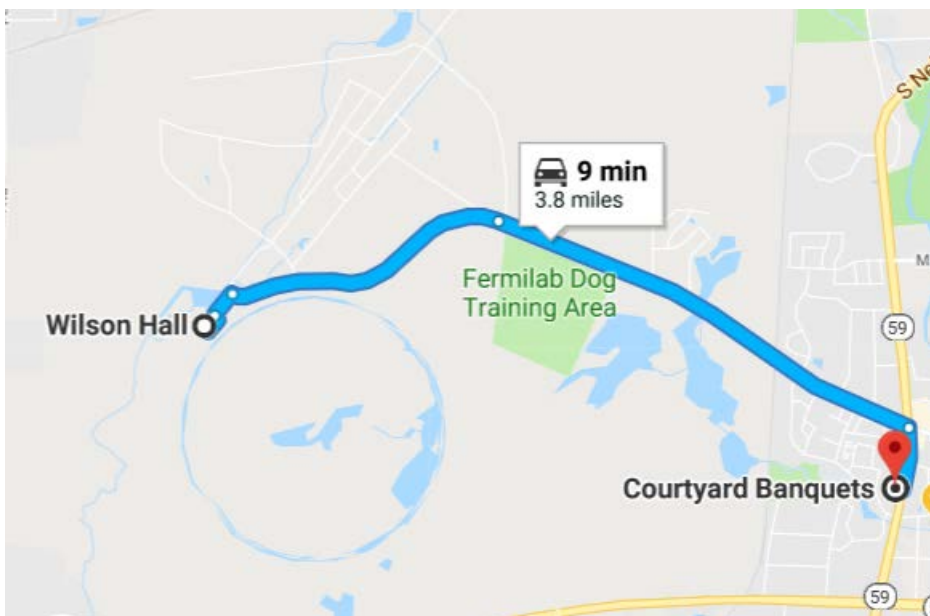

Wine and cheese seminar starts at 16:00 (listen for the gong...)

Location in One West (this room...)

Jim Virdee (Imperial College London)

“CMS and Physics at the High Luminosity LHC”

Dinner

Dinner at Courtyard Banquets

3S200 Illinois 59 (RT. 59) Warrenville, IL

Drinks start at 17:30

Dinner starts at 18:30

About a ~9min drive

Cost is \$50 / person

We need to collect your contribution in advance of the dinner

Collection outside meeting room during registration and coffee breaks, 11th floor cross over for other times (see Sonya Wright)

Please pay in cash, we are unable to accept checks or credit cards

Thanks!

Thanks to the organizing committee

Pushpalatha Bhat

Frank Chlebana (chair)

Dmitri Denisov

Jim Freeman

Andris Skuja

Teijinder Virdee

Thanks to Sonya Wright

Thanks to all the speakers! *And thanks for keeping to you allocated time....*

And... thanks to YOU!

DanFest

Symposium in honor of Dan Green's 75th Birthday

The event will bring the scientific community to celebrate Dan's distinguished contributions to the field of particle physics.

The symposium will consist of a day of talks centering on the science that Dan advanced, from the early days at the ISR collider at CERN, to the D0 experiment at the Tevatron, and the CMS experiment at the LHC.

The talks will be followed by a reception and a dinner.

For more information and to register please go to:

<https://indico.fnal.gov/event/16862/>
