

Status and General News

Lauren Yates

Massachusetts Institute of Technology

On Behalf of the Machine Learning Group Coordinators

Fermilab Machine Learning Group Meeting – August 2018

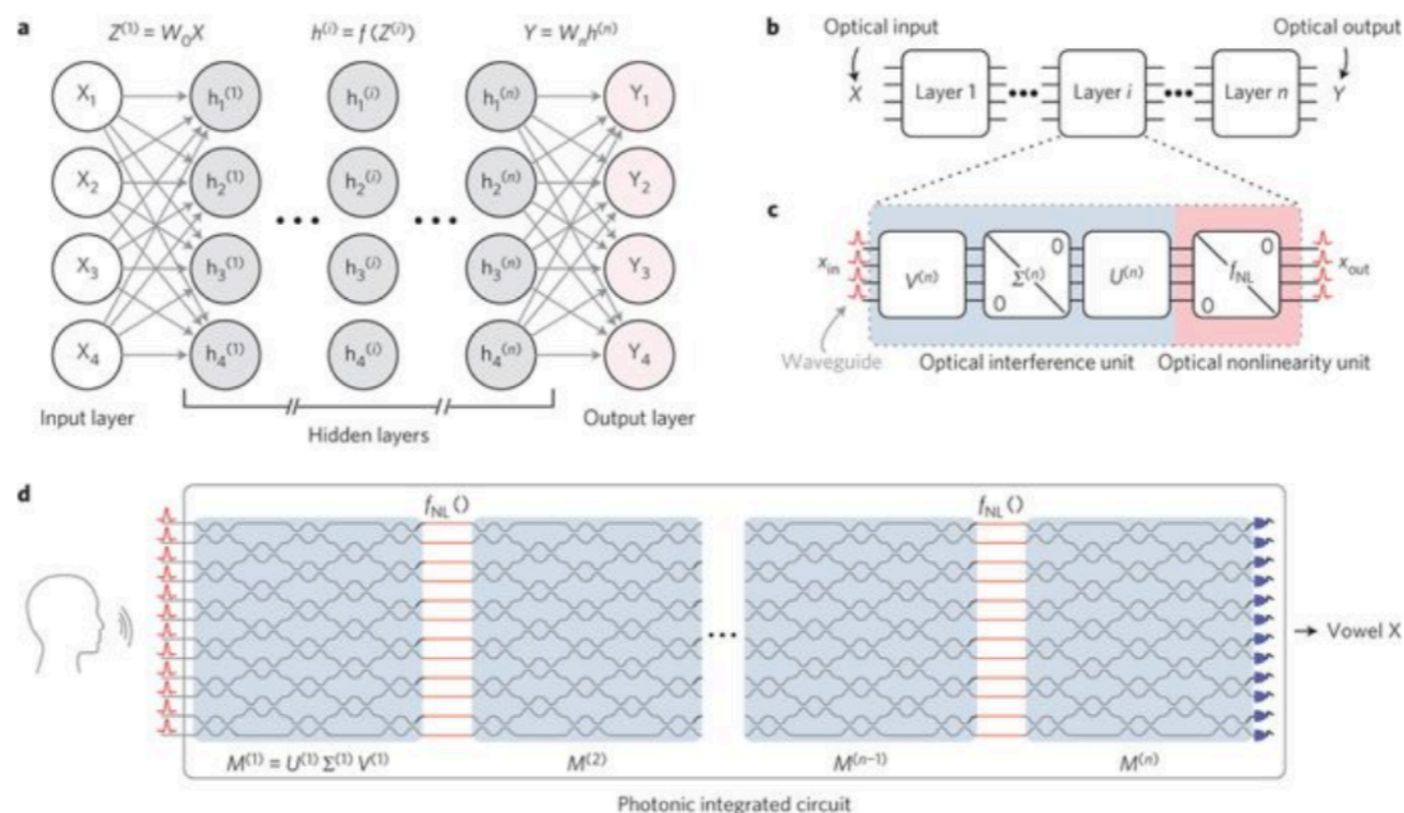

Announcement: Journal Club

The next Deep Learning Journal Club is also today

At 12pm in Quarium (WH8XE)

Will discuss: <https://www.nature.com/articles/nphoton.2017.93>

Figure 1: General architecture of the ONN.

Announcement: Get Involved

Next Fermilab ML Group Meeting will be Friday, May 4

Email us at machinelearning-coordinators@fnal.gov with talk requests or topic suggestions!

Today's Meeting

Machine Learning Forum

Wednesday, August 22

10:30am

Hornets Nest (WH8XO)

10:30 - 10:40	General News and Announcements 10' Speakers: Micah Groh (Indiana University), Lauren Yates (Massachusetts Institute of Technology)
10:40 - 12:30	Deep Learning with Keras Tutorial 1h50' Speaker: Dr. Igor Yakushin (University of Chicago)

Join us for an introduction to deep learning and a hands-on tutorial on deep learning with Keras
