

QCD@LHC 2019

Monday 15 July 2019 - Friday 19 July 2019

Scientific Programme

PQCD/MC

Perturbative QCD and Monte Carlo event generators.

Heavy Flavor/Top

Heavy Flavor and Top quark physics

Higgs/EW/BSM

Higgs Electroweak and BSM physics

PDFs/alpha_S/Soft

Parton Distribution Functions, studies of strong coupling and Soft physics

Jets/Substructure/Resummation

Jets their properties and Resummation calculations.
