 - <https://indico.fnal.gov/event/16764/> (nothing there yet)

Consortium

- Still in formation
- Consortium Lead – Heidi Schellman
- Technical leads – Mike Kirby (FNAL) and Andrew McNab (Manchester)
- Many thanks to Andrew Norman for his leadership in making ProtoDUNE SP a success!
- We will be trying to talk to as many consortium groups as possible 1 on 1 during the collaboration meeting.
