

# ICFA Mini-Workshop on Slow Extraction, 2019

## Tuesday, 23 July 2019

### Session 8: Special topics of Slow Extraction - 1 West (17:00 - 18:30)

-Conveners: Marco Pullia

| time  | [id] title  | presenter          |
|-------|---|--------------------|
| 17:00 | [25] Slow Extraction of High Energy Leptons with RF on and SR           | Dr DUTHEIL, Yann   |
| 17:30 | [26] Speeding up Numerical Simulations with PTC Maps at Arbitrary Order | VELOTTI, Francesco |
| 18:00 | [27] Carbon Nanotube ES wire Studies at CERN                            | BORBURGH, Jan      |
