

IceQubes 2019: International Workshop on Cryogenic Electronics for Quantum Systems

Wednesday, 19 June 2019

Fabrication and Packaging - One West (13:30 - 15:15)

-Conveners: Joseph Bardin

time	[id] title	presenter
13:30	[4] A compact cryogenic readout	HOMULLE, Harald
14:05	[5] Multilayer Superconducting Electronics Fabrication processes for VLSI	Dr TOLPYGO, Sergey
14:40	[6] Packaging Approaches for Cryo-Electronics	Prof. HAMILTON, Michael
