

# IceQubes 2019: International Workshop on Cryogenic Electronics for Quantum Systems

## Thursday, June 20, 2019

### Superconducting Electronics: Superconducting Electronics - One West (9:05 AM - 11:25 AM)

-Conveners: Malcolm Carroll

time	[id]	title	presenter
9:05 AM	11	Superconducting ICs for QC	Dr NAAMAN, Ofer
9:40 AM	10	Parametric amplifiers for Josephson Junction qubits	Dr CALUSINE, Greg
10:15 AM	8	Cryogenic magnetic memory for superconducting quantum control electronics	Dr RIBEILL, Guilhem
10:50 AM	9	Cryogenic Digital Readout and control of Superconducting Qubits	Prof. MCDERMOTT, Robert
