

# IceQubes 2019: International Workshop on Cryogenic Electronics for Quantum Systems

## Monday, June 17, 2019

### Requirements for cryogenic electronics - One West (11:15 AM - 12:25 PM)

-Conveners: Antonio Liscidini

| time  | [id] title   | presenter            |
|-------|--|----------------------|
| 11:15 | <del>A12</del> Ultra-low-jitter SNSPDs                               | Dr SHAW, Matthew     |
| 11:50 | <del>A13</del> NTRON circuits and single photon imagers using SNSPDs | Prof. BERGGREN, Karl |

# Wednesday, June 19, 2019

## Requirements for cryogenic electronics - Curia II (4:55 PM - 5:30 PM)

-Conveners: Joseph Bardin

| time    | [id] title              | presenter    |
|---------|-------------------------|--------------|
| 4:55 PM | [9] WSi and MOSi SNSPDs | NAM, Sae Woo |
