

IceQubes 2019: International Workshop on Cryogenic Electronics for Quantum Systems

Tuesday, 18 June 2019

cryoCMOS - One West (09:00 - 11:20)

-Conveners: Davide Braga

time	[id] title	presenter
09:00	[14] Integrated cryogenic control chip	Mr NIELINGER, Dennis
09:35	[15] Low noise analog cryoCMOS circuits and systems	Dr VAN DIJK, Jeroen
10:10	[16] High efficient low voltage supply signal processing based on quantized amplification	Prof. LISCIDINI, Antonio
10:45	[23] cryoCMOS Device modeling	'T HART, Pascal Alexander
