

# In Search of New Physics Using SMEFT

## Friday, 4 October 2019

**Morning Session - Building 362/Conference Room F-108 (09:00 - 12:00)**

-Conveners: Tim Tait

time	[id] title	presenter
09:00	[14] Some practical applications of the SMEFT	TROTT, Michael
09:45	[15] Constraining EFTs with Machine Learning	KLING, Felix
10:30	Coffee Break	
11:00	[16] Probing Flavor Non-Universal Theories through Higgs Physics at the LHC and Future Colliders	LIU, Zhen
11:45	[17] Closing Remarks
