

In Search of New Physics Using SMEFT

Wednesday, 2 October 2019

Morning Session - Building 362/Conference Room F-108 (09:00 - 12:30)

-Conveners: Radja Boughezal

time	[id] title	presenter
09:00	[0] Searching for new physics at the LHC using SMEFT	HERNDON, Matt
09:45	[1] The Impact of Theoretical Errors in the SMEFT	SHEPHERD, Will
10:30	Coffee Break	
11:00	[2] Effective Theories that Violate Lepton Number	DE GOUVEA, Andre
11:45	[3] Constraining the SMEFT with low-energy experiments	MEREGHETTI, Emanuele
