

# Workshop on Precision Time Structure in On-Axis Neutrino Beams

## Saturday, 2 November 2019

### Session 1: Physics with Precision Time Structure - Curia II (08:40 - 12:05)

-Conveners: Henry Frisch; Laura Fields

time	[id] title	presenter
08:40	[1] Expected World Precision on PMNS Physics Parameters 2019-2039	Prof. DE GOUEVA, Andre
09:10	[2] Systematic Uncertainties in DUNE	Dr MARSHALL, Chris
09:40	[3] Addressing Systematic Uncertainties with DUNE-PRISM	Prof. WILKING, Michael
10:10	Coffee Break	
10:25	[4] First Look at DUNE Systematics With Time-Selected Spectra	WORCESTER, Elizabeth
11:00	[5] Impact of Stroboscopic Muon Flux TOF Measurements on DUNE	Dr PAVLOVIC, Zarko
11:35	[6] New Physics Opportunities	MACHADO, Pedro
