

Prospecting for New Physics through Flavor, Dark Matter, and Machine Learning

Thursday, 30 March 2023

Cosmology (16:30 - 17:20)

time	[id] title	presenter
16:30	[24] Cosmological Considerations for Dark Sectors with Light Mediators	SHELTON, Julia (Jessie)
16:55	[25] Particle physics models that predict dark matter in the form of primordial black holes	KUSENKO, Alexander
