

Prospecting for New Physics through Flavor, Dark Matter, and Machine Learning

Thursday, March 30, 2023

Cosmology (4:30 PM - 5:20 PM)

time	[id] title	presenter
4:30 PM	[24] Cosmological Considerations for Dark Sectors with Light Mediators	SHELTON, Julia (Jessie)
4:55 PM	[25] Particle physics models that predict dark matter in the form of primordial black holes	KUSENKO, Alexander
