Newly resolved feedback since 1. October 2019

- Nothing, unfortunately

New feedback since 1. October 2019

- The coin dispenser machine in the laundry room in the village is not working for a while (checked for last three weeks). It requires repair/maintenance.
- One or more of the 3 Microwave Owens in the Wilson Hall atrium south-west corner that we use for warming the food at lunch time is/are not working for a while. It needs to be repaired or replaced.
- If a user signs on a housing agreement for living in village the housing office provides an address proof letter supposed to be used for applying to a driving license/opening a bank account /buying car etc but the local DMV/banks are not accepting that address proofs stating the housing agreement does not include the word `lease contract` or something like that. Just want to bring this to your attention so we can have a discussion on how to address this and have a possible solution.
- Can anything be done about the reduced parking around the high rise? It is only getting worse for those of us who work here and the long walks in the winter will only make this more unpleasant.
 - “Comment: It’s starting, people are waking up to the parking changes.”

- Karen Kosky (FESS head) would like to give an update on the water situation in the village and the bathroom situation
 - Tim conveyed our message from last meeting
 - Will schedule either in the QoL meeting or in the main UEC meeting (opinions?)
- André Salles and Chris Beard (Communications) want to update us on the new media training that will be required for all users
 - Will schedule this as well.
- Jennifer Gondorchin (Benefits manager) wants to discuss wellness items
 - Will schedule that as well
