SCD Postdoc Meeting
November 5, 2019

SCD postdoc meeting

- Welcome to our first SCD postdoc meeting
 - ➔ Continuing the postdoc mentoring of the prior Intensity Frontier dept. meeting
 - ➔ All scientific staff and management within SCD have been invited to attend
 - ➔ The meetings will generally be on the first Tuesday of the month in Committium
- Postdoc research strategy presentations are an essential part of postdoc mentoring
 - ➔ Gives postdocs the opportunity to practice presenting research and plans
 - ➔ Get constructive feedback and advice to benefit them in their research & career
 - ➔ Informs SCD scientists and management of the postdoc's research
- Today we feature a seminar on the physics research of James Stapleton
 - ➔ James will be on the job market this year and we hope presenting a seminar here will help him to prepare.

Job Application Season

- Fall 2019 faculty and staff application season has started
 - ➔ Postdocs with roughly 3 or more years of experience should be applying for faculty jobs.
- Please get feedback from your supervisor, mentor, and SCD mentoring BEFORE sending out your application materials
