

FSPA January report

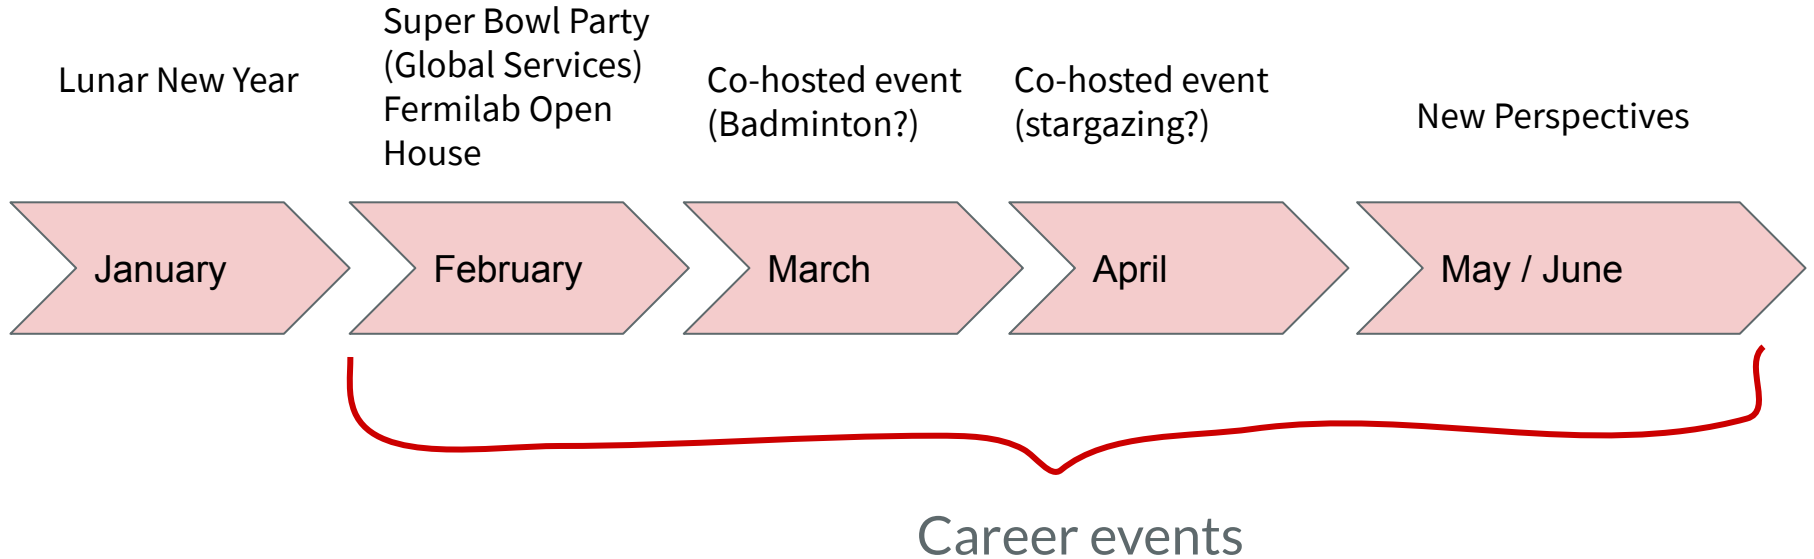

**Maria Martinez Casales on
behalf of FSPA
UEC Meeting, January 17th, 2020**

Goals for this year

- Discussed ways to reach a broader community in our events
 - Within the traditional every year events
 - Attending to the need of more career events expressed by the community
- Increase the sense of community by joining efforts with Global Services / FYP.

FSPA (early)2020 at a glance

Coming up soon

- Lunar New Year Party
- Friday January 24th
6PM at Kuhn Barn
- Food and drinks
(hopefully dumplings)

Career events

- The aim is to spread career events through the year
- 3 large workshops/conferences: University, Industry, Lab
 - One of these during New Perspectives
 - The others during the rest of the summer, when the audience is larger
- Smaller workshop/talk during the rest of the months.
 - February: arranging details for a talk from a person from industry (Apple)
 - Zoom connection will be available so that we can reach more audience.

Other updates

- Progress with Fermilab Young Professionals
 - Joint social event March / April
 - Organize tours
 - Promote volunteering event , Leadership workshop with FSPA community
- Newsletter will start next month
- Bylaws - will be ratified within the next few weeks
