

Sustainability at Fermilab

Tuesday, 11 August 2020 08:00 (1 hour)

Please join us for a presentation and discussion on the present and future of sustainability at Fermilab with Eric Mieland, chair of Fermilab's Sustainability Management Team. He will be joined by Wally Levernier, Fermilab ecologist. Eric plans a short presentation followed by open discussion time, so please bring your thoughts, questions, and ideas!

For more information, please contact Eric Mieland at mieland@fnal.gov.
