

# Field installation of cryomodule vacuum systems at Fermilab

*Tuesday, 16 April 2024 17:15 (25 minutes)*

This talk will summarize experience with field installation of SRF cryomodules at Fermilab, including temporary cleanroom setup, low particulate vacuum practices, vacuum protection, and cryostat vacuum practices.

## Summary

**Primary authors:** CHEN, Alex Zuxing (Fermilab); HARTSELL, Brian (Fermilab); BAFFES, Curtis (Fermilab); KENDZIORA, Kyle; NOBREGA, Lucy (Fermilab)

**Presenter:** BAFFES, Curtis (Fermilab)

**Session Classification:** Session 2
