

Field installation of cryomodule vacuum systems at Fermilab

Tuesday, 16 April 2024 17:15 (25 minutes)

This talk will summarize experience with field installation of SRF cryomodules at Fermilab, including temporary cleanroom setup, low particulate vacuum practices, vacuum protection, and cryostat vacuum practices.

Summary

Primary authors: CHEN, Alex Zuxing (Fermilab); HARTSELL, Brian (Fermilab); BAFFES, Curtis (Fermilab); KENDZIORA, Kyle; NOBREGA, Lucy (Fermilab)

Presenter: BAFFES, Curtis (Fermilab)

Session Classification: Session 2
