# Safety and Reporting

- We hope you are all well and safe at home during this difficult time
  - ➔ Please make health and safety your highest priority as you work from home
  - ➔ Please spend whatever time is needed to insure your safety.
- Effort Reporting
  - ➔ Fermilab has provided the timecard charging activity “Weather Diff”
    - ➔ To record time to fulfill necessary functions of survival that are conflicting with work.
    - ➔ Taking care of family, home schooling, shopping for food, etc.
  - ➔ Please contact your supervisor or HR partner for advice before using it.
- Scientific Reporting
  - ➔ Fermilab is now requiring weekly reports from SCD and the other divisions
  - ➔ Intended to record a “heartbeat” of activity in addition to accomplishments
  - ➔ Please write something in each weekly report

# E-conferences and Jobs

## ● E-Conferences

- ➔ We recommend postdocs participate in conferences remotely
  - ➔ Most conferences can be found at <https://inspirehep.net/conferences>
  - ➔ Need to check the conference website to find if it is remote
- ➔ Some conferences and schools are remote attendance or considering it
  - ➔ **LHCP2020 is Remote Only**: Large Hadron Collider Physics Conference, 25-30 May
  - ➔ **Neutrino2020 is considering it**: Neutrino Physics and Astrophysics, 22-27 June
- ➔ Please consider a talk at an e-conference and ask your supervisor and mentor
- ➔ SCD will support your attending conferences that advance your career

## ● Faculty Jobs

- ➔ We recommend postdocs continue to prepare to search for faculty jobs
- ➔ Faculty job interviews in March were being done remotely in some cases
- ➔ Postdocs with 3+ years of experience should apply for jobs this fall.
