

Advances in QCD and Applications to Hadron Colliders Workshop

Friday, 28 October 2016

Session 1 (09:00 - 10:30)

time	[id] title	presenter
09:00	[14] High-twist effects in eA and pA collisions	XING, HongXi
09:45	[26] Single-inclusive jet production in electron-nucleon collisions @ NNLO in QCD	ABELOF, Gabriel
