Parallel III: Higgs as a Tool for Discovery (14:30 - 17:40)

time	[id] title	presenter
14:30	[16] Higgs physics at future machines: precision and discovery program	
14:50	[17] ATLAS at the HL-LHC: The technological challenges for Higgs physics	
15:25	[18] ILC: The technological challenges for Higgs physics	
16:00	Coffee Break	
16:30	[19] CMS at the HL-LHC: The technological challenges for Higgs physics	
17:05	[20] 100 TeV Collider: The technological challenges for Higgs physics
