

Advances in QCD and Applications to Hadron Colliders Workshop

Thursday, 9 November 2017

Morning: 2nd day (09:00 - 12:00)

time	[id] title	presenter
09:00	[8] Analytic Boosted Boson Discrimination at the LHC	Dr MOULT, Ian
09:50	[9] Threshold and small R resummation for the inclusive jet production	Dr RINGER, Felix
10:40	Coffee Break	
11:10	[10] Finding small-x physics in final state jets	Dr NEILL, Duff
