“Materials Design Laboratory (MDL) Overview”

Thursday, October 8, 2015 – 3:30 p.m.
Bldg. 241, Conf. Rm. D-172

The Materials Design Laboratory (MDL) will be a 105,000 to 115,000SF laboratory and office building to be built to the east of the Energy Sciences Building (Building 241). The facility will provide modern laboratories for researchers from PSE. The Open Mic talk on October 8 will provide an overview of the project

Light refreshments will be served 15 minutes before talk.
