

XVI International Symposium on Very High Energy Cosmic Ray Interactions
(ISVHECRI 2010)

Contribution ID: 103

Type: **Invited**

Recent accelerator data and results from the Tevatron

Monday, 28 June 2010 14:00 (30 minutes)

We present relevant results from CDF and D0, including diffractive and elastic scattering, and other inclusive measurements.

Primary author: Dr CONVERY, Mary (Fermilab)

Presenter: Dr CONVERY, Mary (Fermilab)

Session Classification: Recent relevant accelerator data and results

Track Classification: Accelerator data
