

Fermilab's Upcoming Events (Summer / Fall 2009)

- “International Neutrino Summer School” (<http://projects.fnal.gov/nuss/>), July 6-17, 2009, Fermilab
- “11th International Workshop on Neutrino Factories, Superbeams and Beta Beams” (NuFact09: <http://nufact09.iit.edu/>), July 20-25, 2009, IIT, Chicago
- “South Dakota Students Visit Fermilab”, July 14-18, 2009
- “LBNE Collaboration Meeting”, July 15-17, 2009
- “APUL Review”, July 16-17, 2009
- “NOvA CD-3b DOE Review”, July 21-23, 2009
- “FRA Visiting Committee for Admin/Ops Support”, August 3-4, 2009
- “Joint DOE-NSF Review of Super CDMS”, August 6, 2009
- “DOE Site Visit and Review of COUPP”, August 7, 2009
- “Project X Collaboration meeting”, September 10-11 (or 11-12), 2009, Fermilab
- “Gran Sasso Lab – Fermilab Collaboration Meeting”, September 11-12, 2009, Gran Sasso Lab
- “DOE HEP Program Mangers Visit”, September 21-22, 2009
- “FFAG-2009 Workshop”, September 21-24, 2009
- “5th Argonne – UChicago – Fermilab Collaboration Meeting” (<http://www.fnal.gov/directorate/ANL-FNAL-Collaboration/>), Fall, 2009 (dates yet to be determined)
- “FRA Board Meeting”, October 15-16, 2009
- “Workshop on Applications of High Intensity Proton Accelerators”, October 19-21, 2009
- “4th Workshop on Physics with a high intensity proton source” and “Workshop on Muon Collider Physics, Detector and Background”, November 9-11, 2009, Fermilab (dates to be confirmed)
- “Fermilab PAC meeting”, November 12-14, 2009, Fermilab
