7th Geant4 Space Users Workshop

Friday, 20 August 2010

Plenary Session IX - General - (09:00 - 10:40)

time	[id] title	presenter
09:00	[24] Organizing and Implementing Efficient Geometry Strategies for Geant4	RASCO, B. Charles
09:20	[25] slic & lcdd: A Detector Response Simulation Program	GRAF, Norman
09:40	[31] Towards High-Fidelity Simulations of Radiation Effects in Complex Systems	Mr RAMAN, Ashok
10:00	[10] Symmetric branches of Geant4: How the medical and aerospace user communities bring common issues and solutions to the simulation toolkit	PERL, Joseph
10:20	[44] discussion
