

# Workshop on Detector R&D

## Thursday, 7 October 2010

### Experimental Physics Goals and Detector Challenges - One West (13:00 - 16:50)

-Conveners: Joel Butler

time	[id] title	presenter
13:00	[3] European Programs	Prof. NAKADA, Tatsuya
13:30	[23] Lepton Collider Physics Goals and Detector Challenges	JAROS, John
14:00	[24] LHC Upgrade Physics Goals and Detector Challenges	SEIDEN, Abe
14:30	[25] Neutrino Experiment Physics Goals and Detector Challenges	Dr RAMEIKA, Regina
15:00	[26] Non-Accelerator Experiments Physics Goals and Challenges	HALL, Carter
15:30	Coffee Break	
16:00	[27] Intensity Frontier Experiments and Challenges	MOLZON, William
16:30	[16] Reflections on Understanding Detectors and Instrumentation	PARA, Adam
