

The background of the slide is a photograph of the Fermilab Main Building, a large, modern structure with a central glass facade and two tall, curved concrete wings. To the left of the building is a tall, narrow, white, textured monument that tapers towards the top. Both the building and the monument are reflected in a calm body of water in the foreground. The sky is a clear, deep blue. The text is overlaid on the right side of the image.

# Welcome to the 44<sup>th</sup> Annual Fermilab Users' Meeting

June 1-2, 2011

Todd Adams  
UEC Chair  
Florida State University

# Safety First

- Standing in the aisles, sitting on the stairs or in front of exit doors is not permitted - *please find a seat.*
- In the event of a fire, depart using the nearest exit. Exits are located at the base of the stage, rear corners of the auditorium and through the main doors of the auditorium located at the back.
- For other emergencies you will be provided with voice instructions as to actions to be taken.
- Smoking is prohibited in this building. The designated smoking area is outside the building on the grass. Use provided receptacles for smoking debris.
- Restrooms are located through the rear exit doors on the far side of the lobby.

- 
- Your Users Organization needs you
  - Need to replace 6 UEC members each summer
  - Nomination period is open
    - nomination forms in lobby – signatures from twelve users
      - due June 17, 2011
    - any current UEC member can nominate you
  - Opportunity to impact laboratory life
  - More during tomorrow's business meeting
- 

Manfred  
Paulini

Brian  
Rebel

Lisa  
Whitehead

- This is your meeting
- The Users Organization Constitution mandates a yearly meeting
- This is the 44<sup>th</sup> Annual Meeting of the Users Organization

44<sup>th</sup> Fermilab Users Meeting  
June 1-2, 2011

Ramsey Auditorium, Fermilab

The evolving Fermilab program in High Energy Physics  
Showcasing recent experimental results in collider, astro-particle, and neutrino physics. Featuring selected talks and posters from outstanding young physicists.

Registration & agenda  
[www.fnal.gov/orgs/fermilab\\_users\\_org](http://www.fnal.gov/orgs/fermilab_users_org)  
Public Lecture June 2 @ 8 p.m.  
Dr. Steven Chu U.S. Secretary of Energy

Fermilab U.S. Department of Energy Fermilab UEC Fermi Research Alliance

# Business Meeting/Town Hall

- **Business Meeting**

- We have a session on Thursday for a Users Organization business meeting
- Will discuss slight modifications to the constitution
- Any other business – contact [tadams@hep.fsu.edu](mailto:tadams@hep.fsu.edu) by noon tomorrow if you have anything to add

- **Town Hall**

- we have a session after the Business Meeting for a town hall meeting
- time for short presentations (5 min/1 slide)
- have several topics planned, but room for more – contact [wester@fnal.gov](mailto:wester@fnal.gov) by noon tomorrow if you would like to make one

- Coffee breaks each morning and afternoon in atrium
- You are on your own for lunch
- Banquet is 5:30pm today in atrium
  - gourmet BBQ (with vegetarian options)
  - poster session at same time
  - registration for Users Meeting required (drink tickets included)
- Public lecture by U.S. Department of Energy Secretary Chu Thursday at 8pm in Ramsey Auditorium
  - tickets are required, not included in Users Meeting registration
  - currently sold out
  - overflow viewing available in 1 West
- Festa Italiana Thursday at 9:30pm in Kuhn Barn
  - celebration of 150 years of united Italy

- Thesis and Tollestrup award talks today
- Presentation in honor of Bruce Winstein this afternoon
- Poster session at 5:30pm in atrium
  - concurrent with banquet
- Glen Crawford from DOE Office of Science Thursday morning
- Director's Overview Thursday morning
- Town hall and business meeting Thursday afternoon
- The Fermilab Program
  - updates on projects in development
  - latest, great new theories to guide our path
  - physics from all three frontiers from the past year
  - new physics results never shown before!

**William Wester**  
chair

***Many thanks to Barb Book for all the hard work that makes this meeting possible***

***Thanks, too, to GSA, VMS, John Kent, Business Services, auditorium & lecture committee, and many administrative assistants for help behind the scenes***

**Todd  
Adams**

**Dick  
Gustafson**

**Ron  
Moore**

**Manfred  
Paulini**

**Mayly  
Sanchez**

**Lisa  
Whitehead**

Enjoy the  
Program!

Talks are being  
recorded and will  
be available after  
the meeting
