

Workshops for Applications Topical Group (NF07)

Nathaniel Bowden, Jon Link, Wei Wang

- Given the cross-cutting nature of this group we do not plan any dedicated meetings
- Convene dedicated session(s) at:
 - Neutrino Frontier Workshop
 - Applied Antineutrino Physics Workshop (prob. late 2020)
- Participate in workshops arranged by other topical groups as appropriate, e.g.
 - Oscillations, Steriles, Neutrino Sources, Neutrino Detectors
